- Between 18 August and 3 September 1955, no changes were observed in the occupation of Schoenefeld airfield. On 18 August, an aircraft coming from Warsaw landed at 1400 and took off after 1 hour. Additional aircraft observed landing were the HA-LIM from Budapest at 1445 and the OK-WDT from Prague at 1500. The two aircraft returned to the places from which they had come from on the same day. During the afternoon on 20 August a Li-2 took off and 15 parachutists jumped from the aircraft over the field. When civil air traffic was completed, local flights were made by Li-2 every day far into the night. ¹ 25X1
